# Request form for Access to Individual Level Data and biological samples from the ANDIS cohort

Please complete this entire form in order to request access to data or samples.

Once completed, this form should be sent electronically to the *Database Administrator*, Jasmina Kravic (jasmina.kravic@med.lu.se) The form should be received electronically at least one week in advance of the steering committee meeting for evaluation.

#### Please note:

- 1. A final decision can only be obtained following ethical clearance and approval from KVB/Region Skåne (https://vardgivare.skane.se/kompetens-utveckling/forskning-inom-region-skane/utlamnande-av-patientdata-samradkvb/.
- 2. All requests for biological samples must be minimised. Amount and number of samples must be motivated and clearly stated.
- 3. Results of sample analyses must be transferred to the ANDIS data manager according to an agreed format when completed.
- 4. Data requests should be specified using the ANDIS variable lists in Excel. A final decision will not be made without a specified variable request.
- 5. Access to data is granted for two years, after which a new application is required.
